## Testimonial From One of Innate Choice's Youngest Customers

Hello Innate Choice Family:

I hope you are all having a wonderful summer and finding some time to get together with loved ones.

I recently received an email with an attached video from one of our Innate Choice clan in Australia and after viewing it I knew I just had to share it. I have received permission to do so and now enthusiastically share this with you and invite you to share it with others.

Stay tuned for an exciting webinar in September; the exact date will be posted and emailed soon. If you have not viewed the recently added presentations in the resources section please do so and please also encourage your patients to do the same.

Enjoy the rest of your summer - it has gone fast!
